### Rider Audit Policy

Students who want to attend classes without taking examinations or receiving grades may audit courses subject to space availability and the permission of the instructor. No credit is earned for audited courses. Transcripts will record an audit with the notation of 'AU.'

The extent to which an auditor may take part in a course's activities is determined by the student and the instructor. In addition to the audit fee, students auditing a course carrying separate fees must pay all such required fees. Performance based courses cannot be audited (e.g., applied music lessons, acting courses, coaching, ensembles and productions, stagecraft, studio dance, and other related classes).

Students who want to enroll as auditors should apply and register during the first week of class. Students who register on an audit basis may not change from audit to credit during a semester, except during the add period. Students originally registered for credit may change to audit status during the add/drop period. However, a student who has audited a course may take that same course for credit in a later semester at full tuition.

Students should refer to the [academic calendar](#) of each term [Spring, Summer, Fall, JTerm] for specific add/drop dates.
