Contributed Talks and Poster Presentations

People who wish to give 30-minute contributed talks or poster presentations are asked to submit the abstracts of their talks and posters through on-line registration of the conference or by e-mailing abstracts to schoi@ajou.ac.kr by April 30, 2014.

Financial Aid

We plan to support local expenses including room and breakfast for 5 nights to contributed speakers and some young participants. However due to limitation of the fund, we may not be able to support all speakers and participants. Application for financial aids should be done through on-line registration by April 30, 2014. Financial aid will be decided by scientific committee.
